# *Performance Policies*

## **Communication and Reminders**

Communication regarding the performance will be done via email and the BAND app. Please make sure your email doesn't send our newsletters/communications to your junk mail. This information is key to knowing where your dancer needs to be, what they will need, and other crucial information for the show's success.

Encouraging your child to practice at home is key to helping them feel comfortable on the stage.

There are no small parts, only small actors. Please understand that your child's part will most likely be small, particularly if they are not in the top level. This is a professional production, not a recital. Every dancer in the production is important regardless of how large their part is. Please remember that the entire process is a learning experience for your child and he or she will gain so much by participating.

## **Hair**

Unless specified all female dancers need to wear hair in a classical bun worn flat to the middle of the head.

- **All female dancers will need their hair in a bun**

## **General hair directions**

- Use a spray bottle of water if needed to wet down hair.
- Pull hair straight back to put into a ponytail at the crown of the head.
- Coil hair into a bun shape.
- Use a hair net (the same color as hair) to hold all hair together.
- Pin around the bun using lots of bobby pins so that bun is flat to the head.
- Hair spray the finished product so there are no wispsies.
- Bangs for all dancers must be pinned and sprayed back.
- No colored or shiny clips, barrettes, or bun covers are allowed.
- All headpieces (flowers, ribbons, hats, etc.) **MUST** be pinned in a crisscross fashion. Give it a little tug to make sure it is secure.
- Please pick up a sheet on how to make a classical bun if you are uncertain how to do this or attend a bun making class.
- Most hair supplies can be purchased at Walgreens, Rite-Aid, Target, Walmart, Penny Robin Dancewear etc. (Remember we can't personally guarantee which store has what items-we suggest you shop early!)

## **Tights and Shoes**

- All younger female dancers need clean pink ballet shoes with elastics **sewn** on (many shoes come with the elastics pre-sewn but if they are not you will need to make sure the elastic is properly sewn on).
- All boys need black ballet shoes.
- Drawstrings **MUST** be tucked in.
- All female ballet dancers will need clean light pink nylon footed (with the feet) **dance** tights with no holes or runs. We suggest getting nylon tights because they wash well and don't snag easily. Also, they won't "shine" under the lights.
- All dancers on pointe **must** hair spray, tape, or sew their ribbons in. **NO EXCEPTIONS!**
- Dancers on pointe will be fined if their ribbons come out on stage.
- Please do not wear panties (underwear) underneath tights. It is not necessary and creates excess lines.

## **Costumes**

- Dancers are not allowed to keep any costume.
- Please make sure that you treat every costume with respect. All dancers will be taught how to and then be expected to hang up their own costumes if needed. If a dancer is caught be careless with a costume he or she will be responsible for the dry cleaning and/or repair costs of the costume.
